

Acute Homeopathic Consultations for minor illnesses

Troubled by an acute illness? Not our client yet? We offer one time acute consultation.

In **minor acute illnesses** such as **flues, colds, coughs, earaches, bladder symptoms, sports injuries, colic in babies, teething problems, pre and post surgical preparations, travel readiness, jet lag, wisdom teeth extraction and various incidences of such nature**, we offer up to 30-minute acute consultation. This is usually one time incidence and can be a doorway to step into constitutional homeopathic care.

Charges: \$50 per incidence + Remedy charges (refer to our fee schedule and business policy)

We hope to hear from you and would be happy to schedule an appointment as soon as possible.

Yours for better health, naturally,

Sujata J. Owens
